5. **Contracting authority:**

Ministry of Foreign Affairs and International Cooperation of Mali, Bamako, MALI.

6. **Nature of contract:**

Fee-based.

7. **Contract description:**

Overall aim: appropriate training of civil servants working for government bodies and local authorities.

Specific aims: to support the National School of Administration (ENA) and the training centre for local authorities (CFCT) in implementing their respective strategies as public establishments for initial and ongoing training for the benefit of civil servants working for government bodies and local authorities.

Specific activities:

- providing at least 16 man-months of support and advice for each establishment over the 4-year period,
- developing remote support for the educational content of the training courses devised (organisation of video conferences on certain ENA initial training modules in the fields of public finance, diplomacy, business administration and management),
- study trips to public training schools,
- development of cooperation links between the 2 establishments,
- support with drawing up reference systems for professions and devising training programmes (and educational content adapted to the target groups),
- training of trainers,

- support and advice regarding training consultancy (provision of an expert for the ENA and for the CFCT),
- support and advice for managing a public training structure,
- support in the search for sustainable sources of financing.
