Financing agreement.

5. **Contracting authority:**

National Authorising Officer, on behalf of the Government of the United Republic of Tanzania, Dar es Salaam, TANZANIA.

6. **Nature of contract:**

Global price and fee-based.

7. **Contract description:**

The specific purpose of the project is to provide technical assistance to preparation of designs, contract documents, and sustainable operation and management procedures for the construction works of the rural and access roads, the schools, the dispensaries, the network of distribution of water and power supply.

The specific objectives of the consultancy are:

- (a) to provide a complete detailed design for the implementation of the several phases of the project;
- (b) to put in place a proper supervision mechanism so as to ensure a timely and correct construction of facilities and roads;
- (c) to strengthen capacity of Kilosa District Local Government as to ensure the effective stakeholder involvement in the process of implementing by providing training in labour based technology.

The expected results of the project are as follows:

— result 1: technical feasibility and financial viability of the construction of 3 new schools, 2 new dispensaries, a new water supply system and new network of about 60 km of rural and regional roads,

- result 2: detailed designs, tender and contract documents are prepared for 3 works contracts for buildings, roads and water supply,
- result 3: building on the work already undertaken, management practices are strengthened, suitable training packages are identified, and sustainable maintenance is achieved.
