

Nigerian - Netherlands Economic Forum

15-16 September, 2014

Hotel Novohotel
Hofweg 5-7 The Hague,
The Netherlands

NABC (Netherlands-African Business Council) with a Nigerian private sector, represented by Chief Cliff Ogbede from KLEEF & VTS Oil Group in collaboration with the Nigerian Investment Promotion Commission, NIPC, is organizing the Nigerian-Netherlands Economic Forum in The Hague, the Netherlands on 15 and 16 September 2014.

The Economic Forum offers all the participants the right business environment to engage in ample match-making platforms, creating and deepening bilateral partnerships. The Nigerian delegation consists of many high level representatives from the following sectors: Financial, Oil & Gas, Infrastructure & Construction, Logistics, Maritime and Agribusiness.

Furthermore the Forum will provide the latest insights of Nigeria, covering multiple sectors and industries, identifying the opportunities within the growing Nigerian economy.

NIGERIA

With roughly 170 million inhabitants, Nigeria has Africa's largest population. But it has only recently been acknowledged as having the continent's largest economy – 26th in the world – following the release of “rebased” data putting GDP at \$510 billion.
