The event is to be held in Huis Ter Duin, in the Netherlands on Wednesday the 29th of October 2014 that is supported by the Ministry of Foreign Affairs in The Netherlands, who will have a formal reception at the forum. It is expected that the Ministry of Foreign Affairs H.E Minister. Frans Timmermans will be giving an opening remark for the event. The visit will serve as a platform and a first step to introduce Dutch businesses as well as a serve as an informative session for all interested parties who would want to join H.E Minister Lilianne Ploumen on her upcoming trade mission to the DRC in November. The event will be the first of its kind in the Netherlands and is sure to attract many business people and organisation from the Benelux region (Belgium and Luxembourg), as well as create a chance for many Dutch entrepreneurs to meet Congolese Entrepreneurs living in the European regions who have direct links as well as knowledge and skills with regards to doing business in the DRC.

This year, the organising committee would like to offer your company an opportunity to be a sponsor at the event. We are seeking sponsorship of 2,500 Euros (Excl Vat) , which would provide your company with the opportunity to become one of the official sponsors of this Forum .

As a sponsor for the event, you will receive the following **benefits**:

- An opportunity to engage with the Delegation from the DRC including the Prime Minister, Mr Matata Ponyo at a VIP Lunch at the event

By therefore supporting the Democratic Republic of Congo's Trade and Investment Forum 2014, your company will gain significant exposure and recognition as an organisation committed to investing, building, developing and having a positive impact in the Democratic Republic of Congo's business climate and economy.
